PRESIDENTS REPORT

There is another project nearly completed, the north end of C green has been paved, excellent work done by Graham Parsons and Terry Seiler and members. The honour boards have been put up on the north wall of the club rooms and the plaques on the north west wall, this was done by Colin Potter and Don Fraser very good job you two.

This week the Red Cross are at the club remember these people help to bring in outside money for the club.

I will finish with a quote, "Remember it's not what the club can do for you, but what you can do for the club".

Thank you this will be my last report it was a pleasure.

Pump up the volume by placing your iPhone / iPod/Mobile in a bowl – the concave shape amplifies the music.

Add this item to your beach bag. Baby powder gets sand off your skin easily – who knew?

Re-use a wet-wipes container to store plastic bags.

Apples and wine

Women are like apples on trees. The best ones are at the top of the tree. Most men don't want to reach for the good ones because they are afraid of falling and getting hurt. Instead, they sometimes take the apples from the ground that aren't as good, but easy. The apples at the top think something is wrong with them, when in reality, they're amazing. They just have to wait for the right man to come along, the one who is brave enough to climb all the way to the top of the tree

Now men . . . men are like a fine wine. They begin as grapes, and it's up to women to stomp the shit out of them until they turn into something acceptable to have dinner with.

Share this with all the good apples you know

CLEVER IDEAS TO MAKE LIFE EASIER

Why didn't I think of that? You'll be uttering those words more than once at these ingenious little tips, tricks and ideas that solve everyday problems, some you never knew you had!

Rubbing a walnut over scratches in your furniture will disguise dings and scrapes

Gutter garden: Create a window-box veggie patch using guttering.

Look up! Use wire to make a space to store gift wrap rolls against the ceiling, rather than cluttering up the floor.

PERKS OF BEING OVER 50 & BEYOND

Someone had to remind me, so I'm reminding you, too.

Don't laugh.... It is all true! Perks of reaching 50, or being over 60, and heading towards 70 or beyond!

- 1 Kidnappers are not very interested in you.
- 2 In a hostage situation, you are likely to be released first.
- 3 No one expects you to run -- Anywhere.
- 4 People call at 9 PM (or 9 AM) and ask, 'Did I wake you?'

- 5 People no longer view you as a Hypochondriac.
- 6 There is nothing left to learn the hard way.
- 7 Things you buy now won't wear out.
- 8 You can eat Supper at 4 PM.
- 9 You can live without sex, but not your glasses.
- 10 You get into heated arguments about pension plans.
- 11 You no longer think of speed limits as a challenge.
- 12 You quit trying to hold your stomach in no matter who walks into the room.
- 13 You sing along with elevator music.
- 14 Your eyes won't get much worse.
- 15 Your investment in health insurance is finally beginning to pay off.
- 16 Your joints are more accurate meteorologists than the national weather service.

- 17 Your secrets are safe with your friends because they can't remember them either.
- 18 Your supply of brain cells is finally down to a manageable size.
- 19 You can't remember who sent you this list.

AND THE MOST IMPORTANT THING: NEVER, NEVER, NEVER, under any circumstances, take a sleeping pill and a laxative on the same night!
