### PRESIDENTS REPORT

I would like to start off by thanking the Ladies and Tony Renzi who worked in the kitchen on invitation Fours Day, it was a job well done. Helen is doing an excellent job but sadly she cannot do it by herself, she needs more helpers please. There is a big day coming up so could we have members to put up their hands to help. Members are playing bowls all over the South east and Western Victoria and coming home with the bacon more often than not.

## HELP US ALL!

A group of seniors were sitting around talking about all their ailments. "My arms have gotten so weak I can hardly lift this cup of coffee," said one. "Yes, I know," said another. "My cataracts are so bad; I can't even see my coffee." "I couldn't even mark an "X" at election time, my hands are so crippled," volunteered a third. "What? Speak up! What? I can't hear you!" "I can't turn my head because of the arthritis in my neck," said a fourth, to which several nodded weakly in agreement. "My blood pressure pills make me so dizzy!" exclaimed another. "I forget where I am, and where I'm going," said another. "I guess that's the price we pay for getting old," winced an old man as he slowly shook his head. The others nodded in agreement. "Well, count your Blessings," said a woman cheerfully - - "thank God we can all still drive!"

'Twas the month after Christmas,  
And all through the house,  
Nothing would fit me,  
Not even a blouse.

The cookies I'd nibbled, the chocolate I'd taste  
At the holiday parties, had gone to my waist.  
When I got on the scales, here arose such a number!  
When I walked to the store, (less a walk than a lumber),

I'd remember the marvellous meals I'd prepared;  
The gravies and sauces and beef nicely rared,  
The wine and the rum balls, the bread and the cheese  
And the way I'd never said, "No thank you, please."

As I dressed myself in my husband's old shirt  
And prepared once again to do battle with dirt...  
I said to myself, as I only can,  
"You can't spend a Summer, disguised as a man!"

So, away with the last of the sour cream dip.  
Get rid of the fruit cake, every cracker and chip.

Every last bit of food that I like must be banished  
Till all the additional kilo's have vanished.

I won't have a cookie, not even a lick.  
I'll want only to chew on a long celery stick.  
I won't have hot biscuits, or corn bread, or pie.  
I'll munch on a carrot and quietly cry.

I'm hungry, I'm lonesome, and life is a bore...  
But isn't that what January is for?  
Unable to giggle, no longer a riot.  
Happy New Year to all, and to all a good diet.

### BEEF STROGANOFF

750g	rump steak	2	tablespoons	tomato paste
125g	butter	1-2	cups	frozen peas
1	onion (chopped)	1	heaped	teaspoon garlic
500g	mushrooms (sliced)	1	teaspoon	paprika
2-3	rashers bacon (chopped)	1	teaspoon	cornflour (optional)
2/3	cup water (maybe more)	½	carton	cream
2	beef stock cubes			salt and pepper to taste

Cut meat in strips and cook in small amount of butter, remove from pan, add remaining butter to pan and sauté onion, add bacon and mushrooms. Tip in remaining ingredients (including steak) except cornflour and cream, bring to the boil, reduce heat and simmer covered for 5 minutes, add cream and cornflour and simmer 5 minutes uncovered. Serve on a bed of rice.

### ZUCCHINI AND PASTA PICKLED SALAD

1 ½ kg	zucchini, sliced or chopped
500 g	onions, sliced or chopped
½	red capsicum, diced

Put all in bowl and sprinkle with a small handful of salt, cover with crushed ice and let stand for 3 - 4 hours. Drain well.

#### SYRUP

3 ½ cups	white sugar	
1	tablespoon	mustard seed
3 ½ cups	white vinegar	
½	cup	water
1	teaspoon	celery salt
1	teaspoon	turmeric

Bring to boil and simmer approximately 2 minutes, add drained vegetables and boil for a further 2 – 3 minutes. Cook 250g noodles, any sort, drain and rinse well in cold water.

Drain and rinse 440 gm can red kidney beans.

Mix all together, bottle and seal while warm.

Keeps like pickles, but refrigerate after opening.

I use cauliflower, carrot, broccoli, green beans or cucumber instead of so much zucchini, indeed you can put in whatever you have or want.

(Partly cook cauliflower and carrot.)

Good Luck, Daph (Lawson).

### "PO TATERS"

Some people never seem motivated to participate, but are just content to watch while others do the work.

*They are called "Spec Taters".*

Some people never do anything to help, but are gifted at finding fault with the way others do the work.

*They are called "Comment Taters"*

Some people are very bossy and like to tell others what to do, but don't want to soil their own hands.

*They are called "Dick Taters".*

Some people are always looking to cause problems by asking others to agree with them.

It is too hot or too cold, too sour or too sweet.

*They are called "Agie Taters".*

There are those who say they will help, but somehow just never get around to actually doing the promised help.

*They are called "Hezzie Taters".*

Some people can put up a front and pretend to be someone they are not.

*They are called "Immy Taters".*

Then there are those who love others and do what they say they will. They are always prepared to stop whatever they are doing and lend a helping hand. They bring real sunshine into the lives of others.

*They are called "Sweet Po Taters".*

I am sure every club has some of each in the bag and we are all at specific times not the Sweet Po Taters but in the coming months lets all aim to be the Sweet Po Taters and transform our clubs.
